"Dewan rushing proposals regarding ousting us Langford. British authorities have not suggested this but want Durbar Offices to secure suitable residence for General. Have suggested alternatives i.e., Westward Ho, Ismalia, Links. Please submit this His Highness and try, stop if possible disturbing us. Have spent much money on improvements to building and grounds and no other house suitable for us except your Bangalore residence which, if given, I can vacate agreeing to put you up any time you visit Bangalore. Otherwise, General can be given one of the Government Office buildings, High Ground removing office West Bank now vacant."
